Mr. Nash,

Dear Mr. Nash,

Thank you for providing your residence address. After preliminary review, we have identified 75 records responsive to your request for records of correspondence to or from vpap.org (the email domain for the Virginia Public Access Project) since January 1, 2017 to the present, mentioning "campaign finance reform"; 1,591 emails mentioning "reform". We found that no emails in these parameters mentioned "HB 1617". If you would like to propose alternative search terms, you may also provide that at your convenience.

We anticipate a cost to review and provide the 1,600+ emails; please let us know if you would like an estimate of cost.

Sincerely,

Arielle Schneider
Chief FOIA Officer and ELECT Policy Analyst
